## Full Description

Emh sales is pleased to offer 2-bedroom homes at Broadnook Garden Village, a new development near Rothley Leicestershire.

**Broadnook Garden Village offers affordable Shared Ownership homes, perfect for those seeking comfortable living with a touch of countryside charm. Enjoy the peacefulness of rural life with the convenience of nearby towns.**

Homes are available on the [New Model Shared Ownership \(NMSO\)](#) which has some great new additions including:

- You can purchase your initial share from just 10% (subject to financial assessment - all applicants must purchase as large a share as is possible in line with affordability).
- You can purchase further shares from as little as 5% each time (known as staircasing).
- A new gradual staircasing process has been introduced allowing you to purchase an additional 1% each year for a maximum of 15 years.
- The introduction of a new 10-year period during which emh could support you with the cost of repairs and maintenance in your new build home.
- A lease length term of 990 years.

For more detailed information on share purchase prices, estimated rent, and a comprehensive overview, please refer to our Key Information Document 1 (KID1).

**Shared Ownership: A Stepping Stone to Home Ownership** Shared ownership offers a fantastic opportunity to get your foot on the property ladder. You can purchase an initial share ranging from 25% to 75% in 5% increments. This makes homeownership more affordable, especially for first-time buyers. The affordability will be assessed to ensure it aligns with your financial situation.

**Grow your Ownership Over Time** As you build your financial security, you have the flexibility to increase your ownership stake through a process called staircasing. This option becomes available after just 12 months, allowing you to gradually own up to 100% of the property.

### About the area:
