ABOUT emh

HERE'S A LITTLE BIT ABOUT US AND HOW WE CAN HELP YOU.

ABOUT emh

OUR HISTORY & VALUES

Our decisions and actions are underpinned by our values:

Integrity

We work to the highest ethical standards

Diversity

We respect others for who they are

Openness

We are honest and straightforward

We strive to be the best in everything we do

EMH GROUP WAS FOUNDED ON HOPE, BEGINNING AS EAST MIDLANDS HOUSING ASSOCIATION IN 1946 AND BUILDING A SMALL NUMBER OF AFFORDABLE HOMES FOR EX-SERVICEMEN AFTER THE WAR.

Since then, we've been committed to bringing that hope to communities and providing opportunities for people to build better futures for themselves and their families.

Working with reputable housebuilders and contractors, we build affordable homes that we'd be proud to live in; homes that suit the needs of our communities and provide spaces for people to thrive in across the East Midlands.

Guiding you through your home buying journey is just part of what we do. Alongside more than 49 local authorities and hundreds of partners, we put communities first, providing care, support, and employment opportunities to help change lives for the better.

PROFIT FOR PURPOSE

WHAT DOES BELIEVE IN POSSIBLE MEAN?

We believe in building for a better tomorrow: homes, futures, hopes and dreams.

We believe in providing housing and care to improve opportunities for people, to listen to everything you need and to always do our best to find just the right answer. We don't guide you to our desired outcome; we work with you to find the solution that suits you best.

To us, 'believe in possible' is a way of thinking and a way of doing; it's here to remind us all that great things can happen when we work together.

What is Profit for Purpose?

Profit for Purpose is the way we describe ourselves and the way we centre our mission to make sure that we're providing homes, care and hope for the communities we work in. We've been providing quality, affordable homes to people in the East Midlands since 1946, and the 'Profit for Purpose' approach is key to us continuing to do that.

How does it help?

Through Profit for Purpose, we make sure that our commercial performance directly supports and benefits our social impact; the profits we make on our assets helps us to deliver on our commitment to efficiency, value for money and the highest level of service for our customers and stakeholders.

IT'S PERFECT. WE FEEL TRULY GRATEFUL FOR THE OPPORTUNITY TO LIVE IN THIS BEAUTIFUL DEVELOPMENT

WHAT IS SHARED OWNERSHIP?

BELIEVE IN POSSIBLE

Shared Ownership is another path to buying a home. You buy a share of the property - usually between 10% and 75% (depending on the development, your affordability and the terms of your lease) - and then pay rent to emh on the percentage that you don't own.

Shared Ownership is for people from all walks of life; it allows you to get on the property ladder with a smaller deposit, which means less time spent saving and a chance to buy a home that you might not otherwise be able to afford. Buying your own home is closer than you think, and it's our mission to show you how it's possible.

Whether you're an individual, a couple, or a family, we'll provide the support and clarity you need to understand Shared Ownership and whether or not it's right for you, and help you find a home that suits your needs and your situation.

You can be eligible for Shared Ownership if:

- Your household income is below £80k (or £90k in London)
- You can't afford all of the deposit and mortgage payments for a home that meets your needs.

- You already own a home, but have accepted an offer with a memorandum of sale in place, and you complete on the sale before or on the same day you complete on the purchase of your new home
- You can prove that you have a good credit history, and you can afford the regular payments that come with buying a home

HOW DOES SHARED OWNERSHIP WORK?

BELIEVE IN POSSIBLE

SHARED OWNERSHIP IS AN OPTION FOR LOTS OF PEOPLE — PROBABLY MORE THAN YOU THINK.

A smaller deposit makes it easier for first-time buyers to get on the ladder, and it's an easier way for separated couples to buy again with their individual share of joint assets. And with a smaller deposit and smaller mortgage required, it can be a great option for many families looking to get more space with a bigger home than they could afford to buy otherwise.

If you decide to do so, you can buy more shares, this is called staircasing, which may eventually lead to outright home ownership (in most cases, please ask your sales consultant).
